Apprenticeship standard

Data Technician

Delivered by

BPP

Structure and commitment

Module delivery: Online live

Seven modules delivered weekly via online live lectures *(two or three hours per week)*

Coaching: Online

Performance Coaches to push you further, with six-weekly sessions to review your progress, give constructive feedback, support your studies and identify new challenges and opportunities *(one hour)*

Guided self-study: Online on-demand

Our Virtual Learning Platform provides you with 24/7 access to your materials, specialist insights and extra study support from wherever you are

Work based projects

Show day-one impact by completing workplace projects with new skills and knowledge that also count towards your portfolio of evidence for the End Point Assessment (EPA)

Additional benefits

✓ Six enrichment modules developed and delivered by our partners, Grant Thornton

✓ Choice of four pathways: Core, data for managers, data for HR professionals, and data for finance professionals. Role based pathways include additional masterclasses, professional workshops and case studies that explore how data can be used specifically within the role

✓ Gain expertise through focused masterclasses that deep dive into specialist subject areas
