

Level 5 Operations Manager.

This apprenticeship is a professional development programme aimed at building and enhancing your capabilities as a manager. The programme will stretch and challenge you through professional one-to-one coaching and technical training to develop the skills required for an operations manager in a fast-changing environment. The programme embeds the knowledge and skills of coaching throughout the apprenticeship, providing a unique approach towards the development of leaders within the workplace. A series of coaching workshops will enable you to understand the principles of coaching methodologies, relate them to organisational scenarios and apply these skills and behaviours as part of your role.

To apply for this programme you must be employed in a relevant role, and, as a minimum requirement, have:

- Three A-Levels or equivalent (including GCSE English and maths), or
- Significant work experience

15-month programme (inc. EPA)
