

Providing Financial Services. SCQF Level 6.

Study mode

Online live: the Professional Banker Certificate is delivered through live sessions of approximately two hours per week, supported by on-demand guided self-study.

15-month programme (inc. final verification)

Running throughout: portfolio development · performance coaching · guided self-study · work-based projects

Every learner also gains access to 4 additional modules

Generative AI Fundamentals FOUR MODULES

An introduction to working with generative AI effectively, safely and ethically, developed by BPP's expert data scientists.

Introduction to Sustainability SIX MODULES

Built with sustainability experts xUnlocked, covering fundamental knowledge on sustainability and sustainable working practices.

Microsoft AI and Security Essentials SEVEN MODULES

A core AI Essentials pathway, then a choice of AI Fundamentals or Security. Microsoft digital badges throughout, with an optional Microsoft Certification.

Cyber Security THREE MODULES

A practical introduction to why cyber security matters, the most common attack techniques, and the fast-changing digital threat landscape.

Six modules delivered via online live webinars, applied to work-based projects that build your portfolio of evidence for final verification.
